Birch Green

Materials

Frag 09 Raffaello is a pigmented, compact and hard-wearing grain leather of European origin. It has a distinctive fine grain, with a perfect balance between the natural material and its final surface treatment that creates a rich sturdiness allied to a feel of softness. It is processed

entirely in Italy, where total control of the production process and treatments guarantees quality and durability. An ideal material for our chairs and sofas. Durable and easy to clean, it is resistant to wear and stretching, and retains its colour in normal use.

Thickness: 1,0 / 1,2 mm

Leather type: European bovine leather

Tanning: Chromium salt (mineral)

Dyeing: Through dying aniline

Finishing: Pigment finishing

Final look: Corrected grain

Dry rub fastness	UNI EN ISO 11640:1998	500 cycles \geq 4 Grey Scale
Wet rub fastness	UNI EN ISO 11640:1998	250 cycles \geq 3/4 Grey Scale
Artificial solution rub fastness	UNI EN ISO 11640:1998 EN ISO 11641 pH8	80 cycles \geq 3/4 Grey Scale
