Materials

52-Divina is available in sophisticated rich colours which reveal hidden depths as the perspective of the viewer changes, making a strong colour statement. In addition, thanks to its smooth, directionless and consistent surface, it complements the shape of furniture very well and is ideal for organically shaped furniture.

Divina MD's full-bodied and subtle structure is ideal for bringing an extensive range of tones to life. Its colourways, which are all crafted from a blend of different tones, appear unicoloured from a distance, but reveal different colour nuances under closer examination. Suitable for soft seatings for both contract and private use.

Composition: WV 100%
Weight: 820 gr lin. m
Width: 150 cm
Yarn type: Stapel
Pattern: 4-end broken twill
Repeat: None
